EDUCATION

Silver Oak University, Ahmedabad   **September 2023 – September 2026**
*B.E. - Information Technology - **CGPA** - **9.5***   *Ahmedabad, Gujarat*

Experience

Kiara TechX - Ahmedabad ⬈   **August 2024 – Present**
Frontend Intern

- Worked as a Frontend Intern at Kiara TechX, contributing to the development of four projects, including static websites and implementing **Role-Based Access Control (RBAC)** systems. Gained hands-on experience in building responsive **user interfaces**, **enhancing user experience**, and collaborating with the development team to deliver efficient, scalable web solutions.
- Developed and managed a complex multi-level routing structure for an e-commerce application, handling seamless navigation between product listings and detailed product pages.
- Implemented dynamic route management to efficiently display category-specific product lists and corresponding detailed views.
- Optimized user experience by ensuring smooth transitions and fast-loading pages within deeply nested route hierarchies.

PROJECTS

OpenObserve - (Contributor - Company Project) ⬈ | VueJs, Astro, Tailwind CSS, JS, STRAPI   **2024**

- Developed a static website for OpenObserve, a cloud-native observability platform, using Next.js, Tailwind CSS, and Strapi for dynamic content rendering. Built multiple pages with varied views and conditional content display based on data types. Focused on creating a responsive, scalable, and easily manageable site to support the platform's growth.

ekisanmart | HTML, CSS, JS, PHP, MySQL   **2023**

- The WebApp is aimed to help the farmers sell their crops, buy the seeds and take farm equipment on rent as well as get 24/7 support and assistance from the experts' team. The farmer can also see the latest govt. policies and schemes and also see the market prices of the crops.
- It provides the facilities of e-farming and also aims to help the seed vendors and farm vendors to sell the seeds and farm equipment. The users can easily do the farming business online from a distant place.
